

Announcement

David Riddell, President of **Canadian Claims Services Inc.**, is pleased to announce the acquisition of **Triad Claims Service** effective May 1, 2010.

CCS is very excited about the addition of Triad, as it gives us a significant presence in the Calgary market. Triad has been a revered service provider in Southern Alberta since 1977.

Triad has a reputation for providing high quality and great service to their clients. This blends well with CCS's commitment of **"Delivering on the Promise"**.

We are very pleased that Tim Hauck will be staying on as the Calgary Branch Manager.

We believe that this acquisition makes CCS one of the strongest adjusting firms in Western Canada.

We will be providing more information in the coming days, however, please feel free to contact either:
